

# One Identity Starling Governance Access Certification

## Release Notes

### 4 December 2019

These release notes provide information about the 4 December 2019 Access Certification release.

## About this release

Accessible from the Starling site (<https://www.cloud.oneidentity.com/>), this service is used for uploading data from One IdentitySafeguard for Privileged Passwords (which is connected to Access Certification using One Identity Hybrid Subscription) in order to run a campaign which allows you to make decisions regarding whether or not the correct permissions are currently in effect.

Access Certification 4 December 2019 is a preview version.

## New features

New features in the 4 December 2019 release of Access Certification:

- Access Certification is no longer available as a service. See the Starling documentation for a list of current services.

## Product licensing

Use of this software is governed by the Software Transaction Agreement found at <http://www.oneidentity.com/legal/sta.aspx> and the SaaS Addendum at <http://www.oneidentity.com/legal/saas-addendum.aspx>. This software does not require an activation or license key to operate.

## More resources

Additional information is available from the following:

- [Online product documentation](#)
- [Starling online community](#)

## Globalization

This section contains information about installing and operating this product in non-English configurations, such as those needed by customers outside of North America. This section does not replace the materials about supported platforms and configurations found elsewhere in the product documentation.

This release is Unicode-enabled and supports any character set. It supports simultaneous operation with multilingual data. This release is targeted to support operations in the following regions: North America, Western Europe and Latin America, Central and Eastern Europe.

# About us

One Identity solutions eliminate the complexities and time-consuming processes often required to govern identities, manage privileged accounts and control access. Our solutions enhance business agility while addressing your IAM challenges with on-premises, cloud and hybrid environments.

## Contacting us

For sales or other inquiries, visit <https://www.oneidentity.com/company/contact-us.aspx> or call +1-800-306-9329.

## Technical support resources

Technical support is available to One Identity customers with a valid maintenance contract and customers who have trial versions. You can access the Support Portal at <https://support.oneidentity.com/>.

The Support Portal provides self-help tools you can use to solve problems quickly and independently, 24 hours a day, 365 days a year. The Support Portal enables you to:

- Submit and manage a Service Request
- View Knowledge Base articles
- Sign up for product notifications
- Download software and technical documentation
- View how-to videos at [www.YouTube.com/OneIdentity](http://www.YouTube.com/OneIdentity)
- Engage in community discussions
- Chat with support engineers online
- View services to assist you with your product
